2 **Write two sentences about the trees.** **3 x 2 = 6**

The coconut tree is tall.

It gives us coconut.

Banyan tree is a big tree.

it is our national tree.

Jackfruit tree is a big tree.

It gives us jackfruit.

3 **Read and answer.** **5 x 1 = 5**

Kala and her friends went for a trip by train. On the way, they saw a beautiful garden. There were many trees. They saw a few birds on a big mango tree. A parrot ate a mango and a peacock sat near a neem tree. Then they saw a farm. In that farm, the pigs were kept in a sty. The white ducks swam in a pond. They enjoyed the trip.

1. How did Kala go for a trip?
