## Forts and Palaces

### Kaalachuvadi

Fort St. George

This fort was built with mud walls in the sandy land between Bay of Bengal and Cooum river. The major portion of the fort was completed under Sir Francis Day on St. George's Day. So, the fort came to be known as Fort St. George. The tallest flagpole in India is in Fort St. George. The first ever modern hospital in India was started in this fort in 1664.

a) Tharangambadi Fort

b) Vellore Fort

II. Read the following passage.

Ezhilan went to an exhibition during the summer holidays. There, in a room, he saw many photos of forts. Photos of the fort were in the form of stones. He saw a stone with the shape of Gingee Fort in Viluppuram district. He was using stones like an 'aaltha ezhi' to build the fort. This was of the fort that is in the picture. He saw the photo of the Sepoy Mud fort. He asked his parents how it was built. He saw the fort that was built with mud. It was Tharangambadi Fort. Finally, he saw a stone with the shape of a fort built in 1693 using mud walls. He showed this to his father that he was so eager to see the fort. He told him that he would take him to the library and show him the fort in India.
